DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This is a very simple two story frame house with a gable roof, and was probably constructed in the early years of the 20th century. It is a long and narrow house with a gable end on the front. Across the three bay front facade is a one story porch, supported by Doric columns, with a plain ballustrade. A small one story frame addition has been added on the west.

SPECIFIC DATES

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

This simple and unembellished house was probably built in the early years of the 20th century. It is part of a block of houses which date, for the most part, to the early 20th century. These houses are relatively plain compared to the large 19th century homes on nearby High and Mill Streets, but are nonetheless attractive and solidly constructed older homes.
